Partnering With You to Maximize Your Potential

Transition Program

Six Steps to a Smooth Transition

We all start a transition in a place of uncertainty and then we must take stock of what options are available to us and what will move us forward. To help guide you through this complex terrain our transition program covers six steps with the first one being, setting short-term and long-term goals.

1. *The 6 Step Program.* This is a monthly program where we meet for one hour and develop a complete transition plan starting with step one, goal setting. From there we have five more steps; exploring transition, creating a strategy, developing action steps, setting time frames and the last step is to finalize the transition plan.
2. *Why do I need a **Transition Plan**?* By thinking through exactly what you need to do and setting a realistic time frame, you can seamlessly transition your business. The accomplishments that occur as a result of the hard work you do in moving through transition can be very rewarding.
3. *Why have me be your **Transition Program Partner**?* As an Executive Coach, I can respect your need for confidence as we will get into financial and personal discussions that are confidential in nature. I'll also challenge, engage and point out your blind spots that are holding you back. You'll also have me as a partner to hold you accountable along the way.

This **Transition Program** is priced at \$400 a month. It includes a monthly 1 hour meeting, unlimited email access, time line check-ins, Goal Handbook, Transition Handbook, Coaching Assessment and a copy of my E-book.

Let's make your transition smooth and seamless. Call me today to set up a meeting!
